"If you had told me 10 years ago that we would be supporting 80 families a year and have 700 finish lines, a truck, a van and employees, I wouldn't have envisioned it then for what it is now."

BRENT PEASE

FOUNDER'S LETTER

WOW! Can you believe it's been an incredible 10 years of improving the lives of people with disabilities through sports? Over the past decade, together, we've wheeled across thousands of finish lines, supported hundreds of athletes, and provided approximately 4 million dollars back to our mission! We knew The Kyle Pease Foundation was destined to truly create a real and lasting impact in the lives of people with disabilities, but this has grown beyond our wildest hopes and dreams, and we cannot thank you, our KPF family enough.

The Boston Marathon lived up to our expectations. It is THE marathon of marathons, and The Kyle Pease Foundation was proud and honored to have sent three teams to this historical event. Through the streets of the oldest marathon, WE wheeled together and absorbed every mile and moment. Truly a historical moment in our foundation's history we will never forget.

In October, over 150 friends and supporters who make up The Kyle Pease Foundation family gathered to celebrate the 10 incredible years of wheeling together for inclusion. An evening filled with speeches, laughter, and reliving memories while creating new ones. Over \$120,00 was raised to fuel our grant funding thanks to the generous support of our athletes,

donors, and sponsors. Together, we celebrated what we've accomplished thus far, and what lies ahead.

As we enter the next 10 years of The Kyle Pease Foundation, we are excited for what 2022 and beyond will bring our athletes and the loved ones who support them each and every day. We've spent the past decade showing the world, what it truly means to be inclusive through sport and sharing not just our story, but the countless stories of our athletes, volunteers, partners, donors, and supporters who make up The Kyle Pease Foundation.

None of the past 10 years would have been possible without each and every one of you. You are the reason why we are here. You are the reason why we are able to serve. On behalf of the entire Pease family and The Kyle Pease Foundation, we cannot thank you enough. Thank you, to each of you that help makeup the fabric of The Kyle Pease Foundation. Here's to the next decade, your continued support, and to another 4 million and beyond of giving back to people with disabilities.

Together We Wheel!

KYLE PEASE
CHIEF INSPIRATIONAL OFFICER

"To start and finish a race together, it's really an opportunity for us to do something as a family, and as Marin likes to say, to go fast."

GREG SMITH, KPF BOARD MEMBER AND ATHLETE PARENT

"Racing has been the one constant in my life throughout the pandemic. Racing is a good distraction and there is nothing else I would rather do."

RICARDO ARANDA, KPF ATHLETE

BOARD OF DIRECTORS

Kyle Pease
Founder and Chief Inspiration Officer

Brent Pease

1,939
individuals and companies
supporting inclusion

\$360
average donation

"As we continue to wheel together, the internal "wheels" of the KPF also continue turning. I am grateful for all our staff, sponsors, partners, volunteers and, most importantly, our athletes and families that we honorarily serve. To these unsung heroes, I want to say thank you for believing in what we do and helping support our mission for 10 years. My, how far we've come! How much momentum the inclusion movement has gained. I believe that moment will help us reach new heights in 2021 and beyond – together."

KYLE PEASE

CELEBRATING 10 YEARS TOGETHER

Neither Kyle nor I knew the importance of what we were doing. We were just trying to find the starting line. Once we found it, we knew where we wanted to go – but we could have never predicted what would happen next. Did we think that it was possible to touch thousands of lives and see numerous smiles from volunteer and in-chair athletes? Did we think we'd cross hundreds of finish lines while improving the lives of disabled individuals through (and beyond) endurance racing? Did we fathom that one day, we would line up with 60 pushchair and crank teams on the heels of the Olympic Marathon trials? The answer is an emphatic no!

To see how much the KPF has grown over these 10 years has been an inspiring spectacle. We are proud of our work and all that we have been able to accomplish. It has been a team effort with countless volunteers and families who have believed in us – and our mission. We thank every one of you and cannot wait to see what the next 10 years bring. To the finish line and beyond!

Together We Wheel,
BRENT PEASE

CELEBRATING 10 YEARS TOGETHER

Ten years ago, I never would have dreamed that a simple question – “Can people in wheelchairs do an Ironman?” – would lead to everything we have built together. As we celebrate this anniversary of my baby, The Kyle Pease Foundation, I want to be very honest. My initial dream was to simply be included in racing. However, that one question would lead to so much more. Because through events, racing and gatherings, we created a family. And I have learned that this part of the Foundation is the most important.

It started with a vision of all individuals racing together – no matter their physical abilities. And it quickly grew into a community that loves and supports each other on and off the racecourse. A family that pushes each other daily, raises each other up and helps everyone see their fullest potential.

We have struggled together but have experienced many victorious moments along the way, too. We know there will be more challenges in the years to come, but also know that we will overcome those as well – together. The Kyle Pease Foundation is a family and when we hold strong and support each other, we can do anything.

Thank you for allowing me to partner with each of you. It is truly an honor and a blessing to call you family.

KYLE PEASE

THE JAKE GOLF TOURNAMENT

Jake Vinson will always be close to our hearts, as he was the first athlete to work with The Kyle Pease Foundation. Jake's legacy lives on through the foundation, and his spirit continues to inspire love and faith in our community. Each year, participants of The Jake Golf Tournament help us make a difference for people living with disabilities. All proceeds go directly to the Jake Vinson Family Grant, as well as other foundation programs and events. Past recipients of the Jake Vinson Family Grant have been awarded accessible vehicles, remodeled bathrooms, and modified living spaces to meet individual needs.

We're grateful for our amazing supporters who help us live out Jake's incredible spirit. And we extend a special thank you to Scott, Amy and Noah Vinson for their long-term friendship and commitment to The Kyle Pease Foundation.

GRANT OPPORTUNITIES

One of the most rewarding things The Kyle Pease Foundation does each year is present a variety of grants to deserving families in our community.

The Kyle Pease Foundation expanded its annual grant offerings in 2020 to include three unique opportunities. Each of our annual grants is named in honor of beloved family members who have passed away: while they're no longer with us, their spirit and legacy live on through the foundation.

Atlas Sutton-Brown-Fox,
2021 recipient:

The Jake Vinson Family Grant

In 2015, The Kyle Pease Family Foundation Grant was renamed The Jake Vinson Family Grant in memory of our late friend, Jake Vinson. Jake was the first KPF Athlete and will forever be remembered as a young man who embodies the spirit of our organization. This grant is intended for individuals and families who are living with a disability and looking to enhance their quality of life through resources that may not be readily available.

Cecil Williams,
2021 recipient:

Lucye Caplan Broken Wheel Award

The Lucye Caplan Broken Wheel award is generously provided by the Caplan family. Lucye was a passionate supporter of The Kyle Pease Foundation and loved the organization's mission and engagement. During her fight against cancer, Lucye was motivated and encouraged by KPF athletes and volunteers overcoming odds to achieve their dreams. She maintained a similar attitude throughout her life and truly lived the philosophy of 'find a way.' Jeff, Will and Danny Caplan have created an ongoing award and grant to honor Lucye's memory, celebrate her incredible spirit and support the foundation's mission.

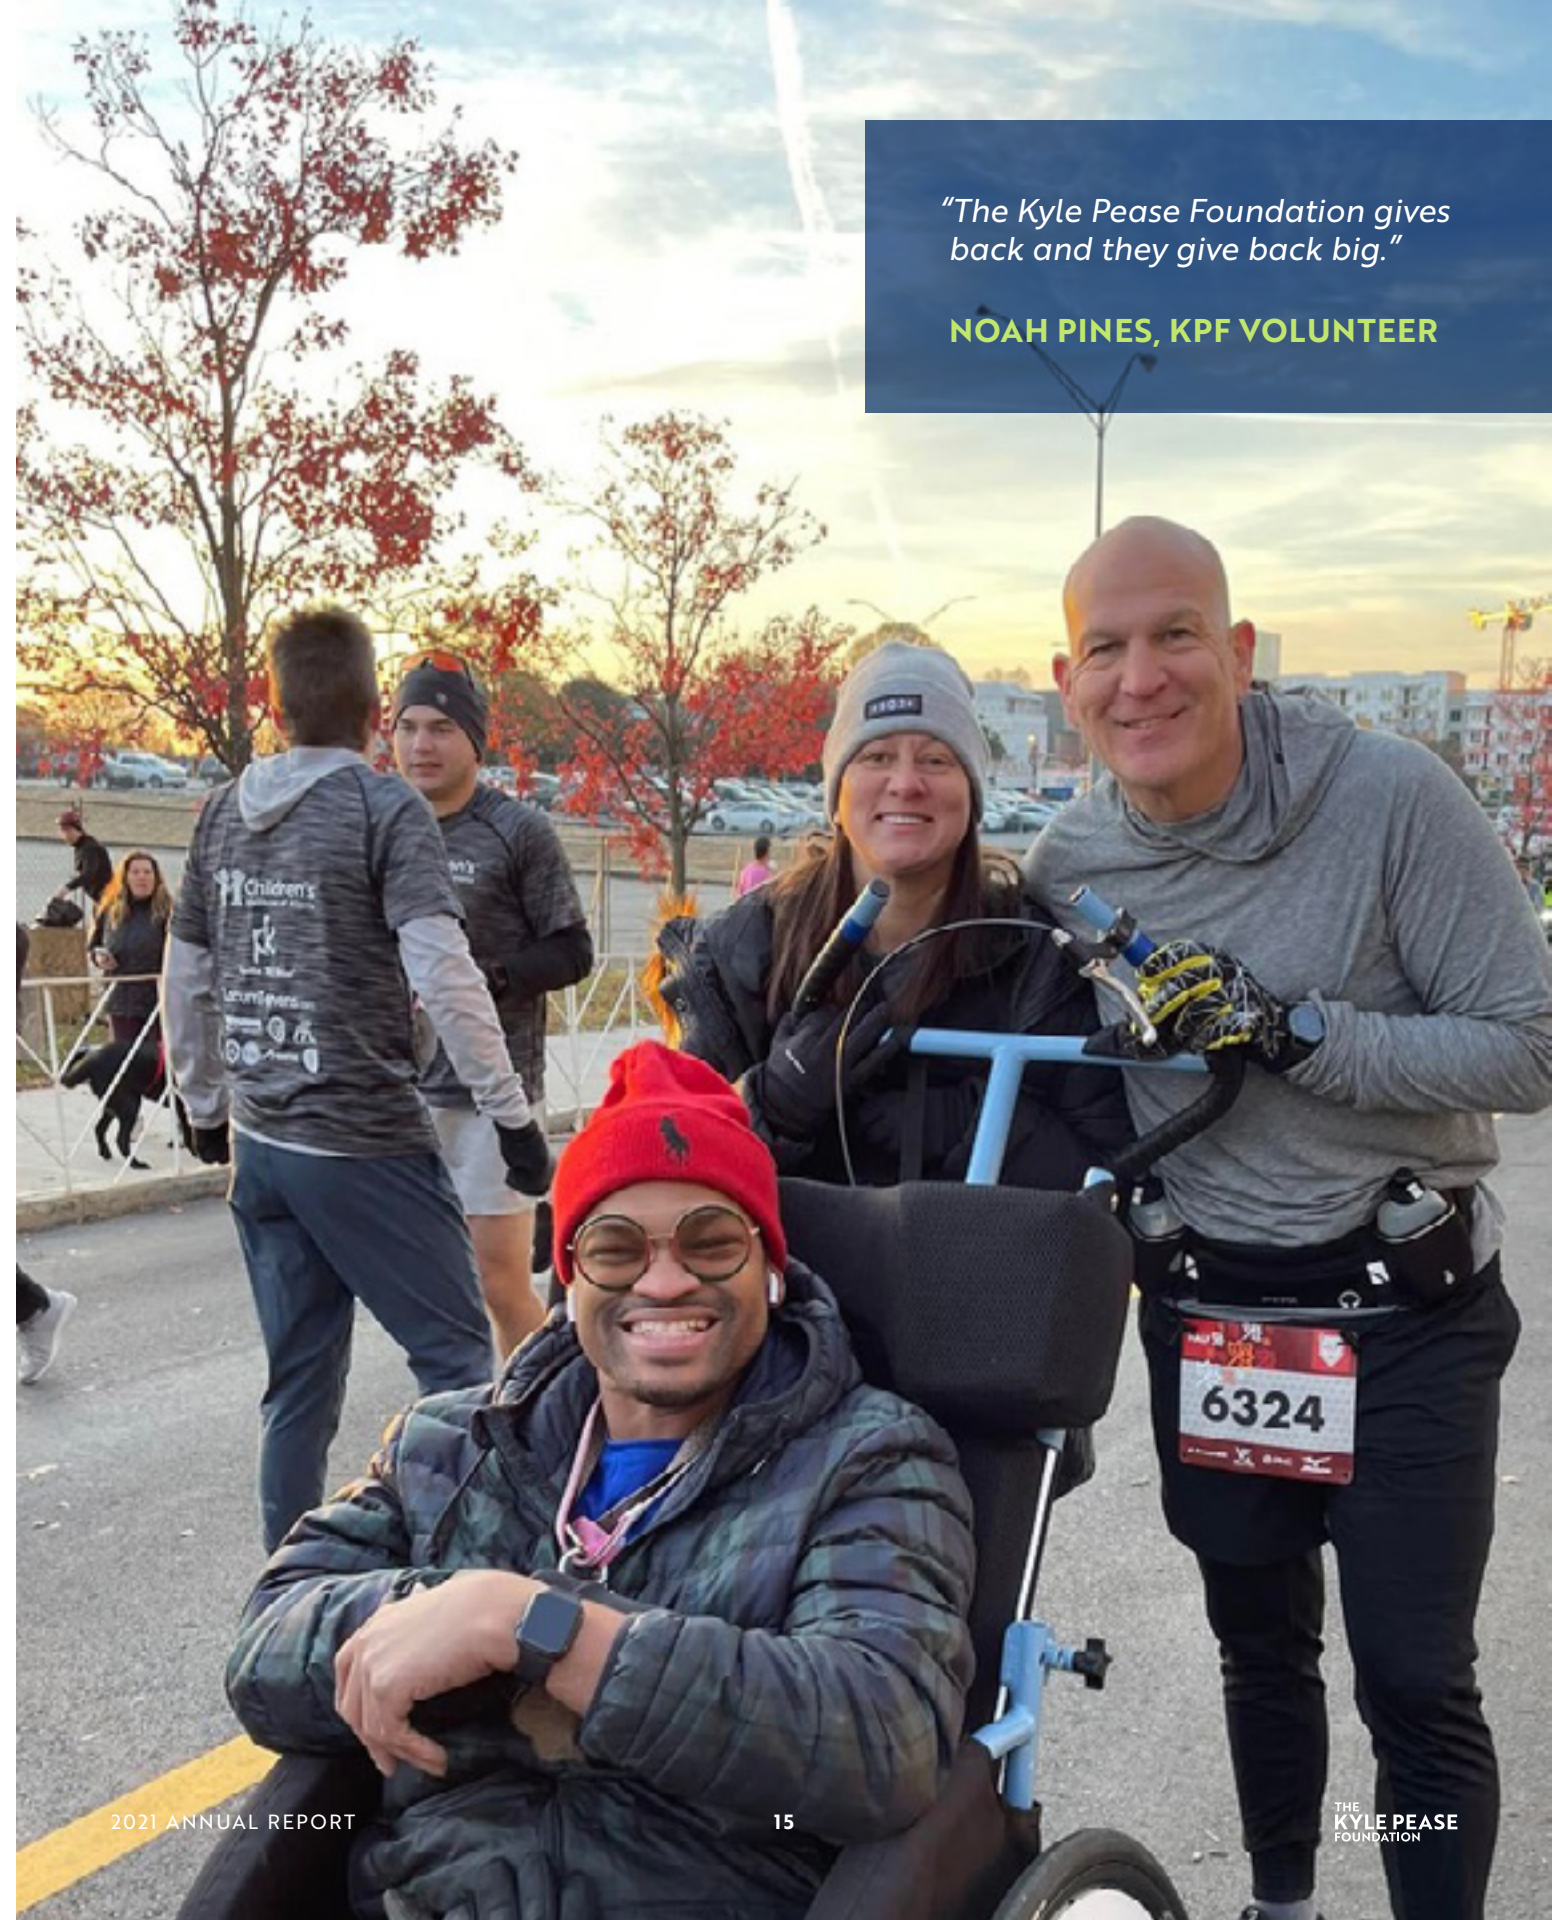

Justin Knight,
2021 recipient:

The Bethany Rutledge Courage Award

Bethany Rutledge and her husband John often participated in KPF events, gathered their friends to race, and shared the message about inclusion on race day. When Bethany was unexpectedly taken from her loved ones in 2019, John wanted to find a way to carry on her legacy and help those that she loved in The Kyle Pease Foundation community. Bethany often encouraged others to be brave, which led her family to establish The Bethany Rutledge Courage Award. This grant supports a family annually by helping with their individual needs.

"The Kyle Pease Foundation gives back and they give back big."

NOAH PINES, KPF VOLUNTEER
